

Habitat & Distribution	The fin whale (<i>Balaenoptera physalus</i>) in the catalan coast and Balearic Sea: a feeding ground.	HD01
Habitat & Distribution	The distribution and vocal behavior of the Atlantic white-sided dolphins (<i>Lagenorhynchus acutus</i>) in northern Norway	HD02
Habitat & Distribution	Fin whale (<i>Balaenoptera physalus</i>) acoustic presence off Elephant Island, Antarctica	HD03
Habitat & Distribution	Estimating the distribution of the common bottlenose dolphin (<i>Tursiops truncatus</i>) in the Ría de Arousa, NW Spain	HD04
Habitat & Distribution	SHORT-FINNED PILOT WHALE IN THE CANARY ISLANDS, SPAIN: THE COMPLETE PICTURE	HD05
Habitat & Distribution	Encounters with an anomalously white harbour porpoise (<i>Phocoena phocoena</i>) – first record of porpoises in the mouth of Douro River (Porto, Portugal)	HD06
Habitat & Distribution	Common Bottlenose Dolphin (<i>Tursiops truncatus</i>) population in the Marine Protected Area of the Cap de Creus Canyon, Northwestern Mediterranean.	HD07
Habitat & Distribution	First record after thirty years of rough-toothed dolphin (<i>Steno bredanensis</i>) offshore Eastern Sicily	HD08
Habitat & Distribution	Tracking striped dolphins movement in the Alkionides Gulf (Gulf of Corinth, Greece)	HD09
Habitat & Distribution	Dakhla Bay (Morocco) 20 years on, a preliminary study on cetacean diversity and distribution in the area.	HD10
Habitat & Distribution	Results of cetaceans monitoring in the three-year period 2013-2015 along the Livorno-Bastia sample transect in correlation with fixed environmental parameters.	HD11
Habitat & Distribution	Long term evolution (1992-2015) in the distribution and the reproduction of three species of cetaceans in the north-western Mediterranean Sea	HD12
Habitat & Distribution	Habitat modelling of offshore Irish waters based on visual data collected during the Cetaceans on the Frontier Surveys (2009-2014)	HD13

Habitat & Distribution	Cetacean distribution off the central Catalan coast, NW Mediterranean Sea	HD14
Habitat & Distribution	Recent changes in distribution and abundance of Central North Atlantic baleen whales - Effects of climate change?	HD15
Habitat & Distribution	First video documented presence of Mediterranean monk seal in Southern Apulia (Italy)	HD16
Habitat & Distribution	Large-scale movements of bottlenose dolphins (<i>Tursiops truncatus</i>) within the Macaronesia (NE Atlantic): dolphins with an international playground	HD17
Habitat & Distribution	Gradient in "hotness": Using and evaluating emerging hot spot analysis to test long-term changes in dolphin distribution off Kaikoura, New Zealand	HD18
Habitat & Distribution	Winter distribution of cetacean in Bulgarian Black Sea	HD19
Habitat & Distribution	Distribution and abundance of bottlenose dolphins (<i>Tursiops truncatus</i>) on the south coast of Portugal	HD20
Habitat & Distribution	Bottlenose dolphin ecotypes in the western South Atlantic: exploring the puzzle of dorsal fin shapes, colors and habitats	HD21
Habitat & Distribution	Modelling the distribution of <i>Delphinus delphis</i> in the eastern Aegean Sea: identifying the key variables in their habitat	HD22
Habitat & Distribution	Complex temporal distribution of fin whales and sei whales in the Azores	HD23
Habitat & Distribution	SPRING AND SUMMER CETACEAN ABUNDANCE AND DISTRIBUTION FOR ROMANIAN TERRITORIAL WATERS USING LINE TRANSECT SAMPLING METHOD	HD24
Habitat & Distribution	Influence of environmental factors on the spatial distribution of two cetacean species: Common bottlenose and short-beaked common dolphins in the eastern Aegean Sea	HD25
Habitat & Distribution	Modelling the distribution of odontocetes in the four island region of Maui, Hawaii using platform of opportunity data.	HD26

Habitat & Distribution	Spatial and temporal distribution of the short-beaked common dolphin (<i>Delphinus delphis</i>) in NW Spain	HD27
Habitat & Distribution	Impact of gillnets and seine fisheries on bottlenose dolphin's distribution in the Ría of Arousa, NW Spain	HD28
Habitat & Distribution	Inter-annual variability of the distribution of fin whale (<i>Baleanoptera physalus</i>) and sperm whale (<i>Physeter macrocephalus</i>) in the Western Mediterranean Sea: 12 years of data	HD29
